

# Yorkcarvers' Member Survey (2015)

In an effort to get to know our members better, and to plan for future programs, seminars, and classes, we have decided to survey the membership of Yorkcarvers. This is your chance to let your voice be heard.

If there are skills or techniques that you want to share, or areas where you need improvement, indicate it in the chart. If your topic is not listed, feel free to write in a topic. The titles in the chart are self-explanatory except N/A. The N/A column means "I have not tried" or "I am not interested in" that topic.

1) Member Name: \_\_\_\_\_

2) Is your work Caricature, Stylistic, or Realistic? (Circle one) You can also write in the space below, for example, your birds may be Caricature, your animals Stylistic, and your humans Realistic.
